

CONTENTS

Foreword	1
Preface	3
1. Anke M., Jaritz M., Seifert M., Müller R. (Jena – Germany) - The biological importance of barium in the food chain of plants, animals and humans.....	5
2. Mohammad A., Agrawal Vineeta (Aligarh - India) – Thin layer chromatographic identification and separation of heavy metal cations on mixed stationary phases containing mosambi skin powder with cationic micellar systems as mobile phase : determination of Ni ²⁺ from river water, industrial waste water and sludge sample	29
3. Benga Gh. (Cluj-Napoca - Roumania) – The first discovery of the first water channel protein (later called aquaporin 1) in the human red blood cell membrane was performed in 1985 in Cluj-Napoca, Roumania, by the use of a radioactively labeled mercurial sh reagent	43
4. Smetana R., Stühlinger H.G., Kiss Katharina, Glogar D.H. (Vienna - Austria) – Magnesium in acute myocardial infarction – is the answer „Magic“?	53
5. Segal Rodica, Fulea Viorica, Nicolau Anca, Pancu Mihaela (Galati – Roumania) - The influence of germination upon the content of bioavailable minerals in cereals.....	59
6. Djujić Ivana, Milovac Milica, Jozanov-Stankov Olga (Belgrade - Yugoslavia) - Selenium protect plants from oxidative stress.....	65
7. Haiduc I. (Cluj-Napoca – Roumania) – Ethical aspects of scientific research in chemistry, biology and medicine	71
8. Drăgan P., Gârban Z. (Timisoara – Roumania) – New data regarding the metallogram of the patients with urolithiasis before and after surgical and ESWL treatment.....	77
9. Aniței Alina Mădălina, Goian M., Băghină N. (Timișoara-Roumania) – The effect of municipal sludge application on environment	83
10. Balla A., Balla Melinda (Odorheiu Secuiesc - Roumania) – Prolonged QT-Syndrom in children with hypomagnesiemia.....	87
11. Bavaru A, Chirilă Elisabeta, Sava Daciana, Mihalcescu Ana Maria, Serban Virginia (Constanta - Roumania) - Bioaccumulation of some heavy metals in several marine organisms from the Roumanian coastal zone of Black Sea	93
12. Borozan Suncica, Bojkovski J., Matic Valerija (Belgrade – Yugoslavia) - Influence of heavy metals on health status weaned piglets	101

13. **Butnaru Gallia, Sârbovan Alina, Mihacea Sorina** (Timișoara – Roumania) – Heavy metal involvement in cell division running..... 107
14. **Contrea M., Goian M., Contrea A.** (Timisoara – Roumania) - Behaviour of metal-porphyrin enzymes: interaction of polyphosphate with spinach hydroperoxidases and chlorophyllin 111
15. **Dalea A., Ionescu Carmen, Marele Daniela** (Oradea - Roumania) – Influence of β and γ radiations emitted by ^{60}Co and ^{89}Sr on some physiological indices in mice 115
16. **Darkó Éva, Stefanovits-Bányai Éva, Barnabás B.** (Budapest – Hungary) - Influence of aluminium on plant growth and mineral composition of Al-susceptible and Al-tolerant wheat genotypes selected from microspores 125
17. **Dăncescu M., Boeriu F., Ionescu I.** (Brasov – Roumania) – Magnesium – Essential cation in the intervertebral disk health? Part I. Morphopathological aspects of the herniated lumbar disk 131
18. **Deseatnic Alexandra, Tiurin Jana, Rudic V., Turta C., Ceapurin Ludmila, Labliuc Svetlana, Pasha Lilia, Clapco Sela, Sirbu Tamara** (Chisinau - Moldavia) - Zinc (II) and copper (II) coordination compounds containing α -aminoacids as stimulators of microbial enzyme activity..... 139
19. **Djujić Ivana, Protić Snežana, Krivokapić Z., Jozanov-Stankov Olga** (Belgrade – Yugoslavia) - Changes in blood microelement content induced by surgical intervention on the human colon 143
20. **Drăgan Simona, Mancaș Silvia, Câmpeanu A., Cristea Cristina, Drăgulescu Ș.I.** (Timisoara – Roumania) – Magnesium orotate lowers the severity of ventricular arrhythmias occurring after cardiosurgery 149
21. **Gabruș R., Bodescu Adina Maria, Avacovici Adina** (Arad - Roumania) – Cystine complexes of nickel and manganese ions 155
22. **Gabruș R., Bodescu Adina Maria** (Arad - Roumania) – The chemical reduction of dinitrogen the influence of some transitional metals in low-oxidation states..... 159
23. **Garban Gabriela, Vlad Rodica, Balint M., Aumüller Corina, Martău Ariana- Bianca** (Timisoara – Roumania) – Serum calcium and magnesium level in a healthy teenager population from the rural area of Banat region 165
24. **Garban Z., Avacovici Adina, Sarafolean S.** (Timisoara – Roumania) – Research concerning the interaction of deoxyribonucleic acid with magnesium and zinc ions.... 169

25. **Gergen I., Bordean Despina-Maria, Ursulescu M., Gogoasă I.** (Timișoara - Roumania) – Lithium determination in natural water by flame photometry emission and ion sensitive potentiometric method..... 175
26. **Halasi T., Hadnadjev Mila, Sokolova-Djokic Liljana** (Novi Sad – Yugoslavia) - The consequences of content of iron and manganese in drinking water in Sombor and its surrounding..... 179
27. **Hegedűs A., Hauptmann G., Tóth Erika, Vajda Krisztina, Erdei Sára** (Budapest – Hungary) Physiological differences between an aluminium sensitive and an aluminium tolerant wheat genotype 185
28. **Holban Nina, Ditoiu V., Holban Șt., Garban Gabriela** (Suceava - Roumania)- Experimental research regarding the settlement of the transformations undergone by the sulphur and heavy metals residual compounds in the areas of Mestecanis and Calimani 191
29. **Ianos G** (Timisoara – Roumania) – Conditions of geogenous occurrence of heavy metals in the rocks and soils in South-Western Roumania..... 199
30. **Ionescu I., Popescu M., Dancescu M., Boieriu F.** (Brasov – Roumania) – Magnesium, lipids, fatty acids in plasma of patients with non insulin dependent Diabetes mellitus..... 207
31. **Iordache V.** (Bucuresti – Roumania) - Preliminary assessment of the pollution risk associated with the restoration of the Danube floodplain 211
32. **Jozanov-Stankov Olga, Demajo M, Djujić Ivana** (Belgrade - Yugoslavia) - Changes in microelement content and oxidative stress parameters in blood of rats treated with 5-fluorouracil and selenium..... 219
33. **Lacatusu R., Kovacovics Beatrice, Bretan A., Lungu Mihaela** (Bucuresti – Roumania) – Heavy metals in the soils after the ecological accident in the Baia Mare area 227
34. **Măruțoiu C., Măruțoiu O. F., Gogoasă I.** (Sibiu, Roumania) - Separation and identification of some toxic cations from polluted soil..... 235
35. **Mracec Maria, Tudose Ramona, Mracec M.** (Timisoara – Roumania) – Molecular modelling of Homodinuclear complexes of Co (II) and Cu (II) with BAMP and BTA 239
36. **Neagoe Aurora, Iordache V.** (Bucuresti – Roumania) - Preliminary assessment of the macrophytes role in the export of metals from Fundacul Mare Island, Danube floodplain 245
37. **Nechifor M.** (Iasi - Roumania) - Normal and pathologic manganese implication 251
38. **Nichita Georgeta, Cumpănășoiu C., Chetrinescu N., Periat Deleana, Brânzeu Daniela** (Timisoara – Roumania) - The pollution with heavy metals of main animal products in western area of Roumania 257

39. **Niculescu M., Vaszilcsin N., Budrugeac P.** (Timisoara – Roumania) – Structural studies about copper (II) – polynuclear coordination compounds with the oxidation products of 1,3-propanediol as ligands. I. Coordination compound with 3-hydroxy-propionate 263
40. **Paal T., Mathe J.** (Târgu Mures – Roumania) - Modelling of the interaction between copper(II)-complexes and reductive substances leading to form copper-dioxygen adducts 271
41. **Papadopol Victoria, Dămăceanu Doina , Florescu Nicoleta, Adam Cristina, Palamaru Iliana, Damian Otilia** (Iasi – Roumania) - Maternal zinc status and newborn parameters 279
42. **Papadopol Victoria, Dămăceanu Doina, Florescu Nicoleta, Adam Cristina, Palamaru Iliana, Damian Otilia** (Iasi – Roumania) - Iron, zinc and copper levels in serum of pregnant women and in breast milk 287
43. **Papp A., Pecze L.** (Szeged – Hungary) - Effect of environmental heavy metals on the central and peripheral nervous system activity of rats in acute experimental exposure 291
44. **Rapavi Erika, Szentmihályi Klára, Kocsis Ibolya, Stefanovits-Bányai Éva, Blázovics Anna** (Budapest – Hungary) - The effect of hesperidin and diosmin on ion concentration and antioxidant defense system in fatty liver in rats 297
45. **Stefanovits-Bányai Éva, Takács-Hájos Mária, Bertényi-Divinyi Zsuzsanna, Holly L., Kiss A.S.** (Budapest – Hungary) - Trace element analysis of safflower seeds (*Carthamus Tinctorius L.*) collected from different growing sites 303
46. **Ștefan V., Cheverry C., Garban Gabriela** (Timisoara – Roumania) – Metal content of the drinking water in Ciacova – Timiș county 309
47. **Voroniuc Otilia, Teodorescu Cornelia , Ghineț Mihaela, Gavăt Viorica** (Iasi - Roumania) - The mineral content of commercially available bottled waters and implications for health..... 313

ABSTRACTS

48. **Ardelean A.** (Arad - Roumania) - The effect of metal pollutants on Algae..... 323
49. **Cerempei Ludmila, Colibaba Elena** (Chisinau – Moldavia) - Particularities of Cu metabolism in chronic gastroduodenal pathology in children..... 324
50. **Chișu Iuliana, Olariu Lucia, Tulcan Camelia** (Timisoara – Roumania) - The action of some natural extracts on sideremia, haemoglobinemia and catalase activity in rats, in experimental oxidative stress status 325
51. **Dogaru C., Moldovan I., David Dana, Rusu V.** (Timisoara – Roumania) – Hypermagnesemia, borderline hypertension and hyperlipidaemia..... 326

52. **Emnova Ecaterina, Lisnic S., Toma S.** (Chisinau – Moldavia) - Effects of different experimental copper loads on soya bean rhizosphere bacterial community..... 327
53. **Ghelbet Viorica** (Chisinau – Moldavia) - Some coordination compounds of Mo(VI), Mn(II) and Ni(II) – stimulators on endo- and exopolysaccharides synthesis of red alga *Porphyridium cruentum CNM-AR-01* 328
54. **Melnic D., Svet Inna, Nastas I., Gudumac V.** (Chisinau – Moldavia) - The influence of certain remedies of algal origin with different content of Zn on the mineral metabolism in primary osteoporosis..... 329
55. **Nagymajtényi L. (Szeged – Hungary)** - Risk of nervous system effects caused by environmental combined heavy metal exposure 330
56. **Nechifor M., Murariu A., Chelarescu D., Matei V., Mandreci I., Danila Gh.** (Iasi - Roumania) - The influence of some bivalent cations on vasodepressor effect of some agonists on imidazoline receptor..... 331
57. **Negrea P.** (Timisoara – Roumania) – Determination of Cadmium, Lead, Chromium and Manganese samples including hair using direct electrothermal atomic absorption spectroscopy..... 332
58. **Negreanu-Pîrjol Ticuța, Stoica Elena, Gorun Elena, Badea Victoria, Sîrbu Rodica, Guran Cornelia** (Constanta – Roumania) - The biological effect of some new La(III) AND Cu(II) complexes with biguanide derivatives 333
59. **Negreanu-Pîrjol Ticuța, Șerban Verginica, Pălici Cristina, Dumitru Florina, Guran Cornelia** (Constanta – Roumania) - Toxicity studies of some lanthanides complexes with α -ketoglutaric acid on marine amphipods (crustacea)..... 334
60. **Olariu Lucia, Chișu Iuliana, Stana Letiția, Tulcan Camelia, Petcu Mihaela** (Timisoara – Roumania) - The study of an allium sativum extract administration on some blood parameters in rats 335
61. **Pălici Cristina, Șerban Verginica, Negreanu-Pîrjol Ticuța, Dincă Antoaneta, Mustata Gh.** (Constanta – Roumania) - Amphipods as bioindicators of trace metals in the coastal waters of the Black sea..... 336
62. **Pup Mihaela, Ahmadi-Vincu Mirela** (Timisoara – Roumania) – Synergistic and antagonistic aspects regarding metals in the human organism..... 337
63. **Rastimeshina Inna, Boortseva Svetlana, Rudic V., Gulea A., Tofilat Silvia** (Chisinau – Moldavia) - Productivity and lipids synthesis of actinomycetes in the presence of cobalt coordination compounds 338
64. **Rudic V., Chiriac Tatiana, Bulimaga Valentina, Ciapurina Ludmila** (Chisinau – Moldavia) - The influence of some coordination compounds of Zn (II) on

productivity and biochemical composition <i>Spirulina Platensis</i> (Nordst.) <i>Geitl.Calu 835</i>	339
65. Ryvnyak Elena, Gudumac V., Gulea A., Ryvnyak V. (Chisinau – Moldavia) - Effect of zinc administration on the antioxidante state in liver during recovery from experimental hepatic fibrosis	340
66. Stefirta Anastasia, Turta C., Bulhac I., Branza Lilia, Aluchi N., Zubarev Vera (Chisinau - Moldavia) - The Influence of α_3 -oxo iron containing trinuclear carboxylates and potasium galate on productivity and resistance of plant.....	341
67. Stratulat Silvia, Lîsai Leonid, Bobkova Svetlana (Chisinau – Moldavia) - Metabolic alterations in patients with esential high blood pressure in dependence of insulin secretion.....	342
68. Şerban Verginica, Mihalcescu Ana-Maria, Tiganus Victoria, Chirila Elisabeta (Constanta – Roumania) - Bioaccumulation of the heavy metals : a comparative study at crustaceans and molluscs species from the south Roumanian coastal waters	343
69. Topala Lilia, Usatii Agafia, Calcatiniuc Aurelia, Chiritsa Elena, Shova S. (Chisinau - Moldavia) - Effects of Fe(II) metallocomplexes upon yeasts carotinoids biosynthesis.....	344
70. Usatii Agafia (Chisinau - Moldavia) - Prospects of utilization of some 3-d metallocomplexes during oleogenic yeasts cultivation	345
71. Authors index	347
72. Scientific events	351
73. Retrospectives	359
74. In memoriam	363
