

CONTENTS

Foreword	1
Preface	3
1. Anke M., Regius-Möcsenyi A., Lösch E., Müller R. (Jena – Germany) – The importance of sodium in the food chain of plants, animals and man	5
2. Haiduc I. (Cluj-Napoca – Roumania) – Metals in our food	15
3. Rietz B. (Risoe – Denmark) - The occurrence of platinum in the outdoor environment	21
4. Cernescu C. (Bucureşti – Roumania) – Iron indices and the severity of chronic hepatitis C infection	25
5. Djujic S. Ivana, Lalic D. Tatjana (Belgrade - Serbia) - Significance of elemental hair analysis for early screening and localization of medical problems	33
6. Sava Daciana, Samargiu Manuela-Diana, Chirilă Elisabeta (Constanța – Roumania) – Metals accumulation in most common species of green macrophytic algae from Romanian Black sea coast	43
7. Farkas Etelka, Bátka D., Buglyó P. (Debrecen – Hungary) - Hydroxamic acids as potential sequestering agents of the toxic lead(II) ion: Essential factors affecting lead(II) binding ability of hydroxamic acids	49
8. Staicu Andrea Cristina, Meşter Lotus-Elena, Munteanu Cristina, Costache Marieta, Dinischiotu Anca (Bucureşti - Roumania) - Effect of temperature on manganese toxicity; Histological changes induced by Mn ²⁺ acute exposure in <i>Carassius auratus gibelio</i> (Pisces: Cyprinidae)	55
9. Ahmadi Mirela, Pup Mihaela, Velcirov Ariana-Bianca (Timișoara – Roumania) - Trace elements and magnesium concentration according to zinc overdoses	69
10. Avacovici Adina-Elena (Timișoara – Roumania) – Short overview on some physico-chemical methods used in the investigation of the interaction between DNA and metallic ions	75
11. Birghila Semaghiul, Dobrinas Simona, Matei Nicoleta (Constanța - Roumania) - Determination of Cadmium and lead levels human teeth	81
12. Borcean I., David Gh., Băghină N., Imbrea F.I., Niță Simona, Botoș L. (Timișoara – Roumania) – Study on the presence of heavy metals on some crops depending on distance to ash dumping site from the thermal central in Timișoara	85
13. Curcă D., Panta L. (Bucureşti - Roumania) - The influence of selenium and chrome over the collagen matter from broiler meat	91

14. **Djujic Ivana, Jozanov-Stankov O.N., Demajo M.A.** (Belgrade - Serbia) – Trace elements important for redox processes in serbian population 99
15. **Drăgan P., Gârban Gabriela** (Timișoara – Roumania) – Peculiarities of metallograms in mixed urolithiasis 103
16. **Drăgan Simona, Barbu L., Ursoniu S., Mancaș Silvia** (Timișoara – Roumania) - Magnesium deficiency and insulin resistance in coronary patients 109
17. **Erimescu Raluca, Vasile Liliana, Mărcăuțean Corina, Bratu D.** (Timișoara – Roumania) – Metallic deposits in biopsies adjacent to base metal dental cast alloys 115
18. **Erimescu Raluca, Kellenberger Andreea, Duțeanu N., Bratu D., Vaszilcsin N.** (Timișoara – Roumania) – Potentiostatic polarization analysis of some dental alloys 121
19. **Gârban Gabriela** (Timișoara – Roumania) – Metal based food supplements on the Romanian market 127
20. **Gârban Gabriela, Velciov Ariana-Bianca, Velciov P.R., Vaszilcsin C.** (Timișoara – Roumania) - Cisplatin administration effect on serum proteins and DNA biosynthesis 135
21. **Gârban Z.** (Timișoara – Roumania) - Xenobiochemistry a subsequent domain of biochemistry: particularization for the study of metallic ions 141
22. **Gergen I., Gogoășă I., Drăgan Simona, Moigrădean Diana, Hărmănescu Monica** (Timișoara – Roumania) - Heavy metal status in fruits and vegetables from a non-polluted area of Romania (Banat County) 149
23. **Ghibu G.D., Gârban Z.** (Timișoara – Roumania) - Biogenesis of deoxyribonucleic acid adducts and the perspective of biomonitorization: comparative data regarding the metallic ions, polycyclic compounds and nitrosamines 165
24. **Gogoășă I.** (Timișoara – Roumania) - Preliminary researches on the distribution of some metallic bioelements in milk products 179
25. **Greco Rodica, Pintilie – Popescu Georgeta Sofia, Sigartău Gr.** (Cluj Napoca – Roumania) –Use of infrared spectroscopy, a preliminary phase in metallogram investigation of urolithiasis 185
26. **Györéné Kis Gy., Stefánovits-Bányai E., Varga A., Lugasi A.** (Gödöllő - Hungary) - Mineral trace element content and toxic heavy metal contamination in organic and conventional fruit and vegetables juices 191
27. **Hadnadjev Mila, Hadnadjev Darka, Halasi T.** (Novi Sad - Serbia) - Allergic diseases before and after ambrosia mowing 197

28. **Hadnadjev Mila, Hadnadjev Darka, Halasi T.** (Novi Sad - Serbia) - Allergic skin diseases before and ambrosia mowing 201
29. **Horhoi Elena Doina, Răhăian Nicoleta, Stremțan V.** (Blaj – Roumania) – Peculiarities of metallic composition in minerals from Târnava Mare valley205
30. **Ianoș G.** (Timișoara – Roumania) - Risks induced by the presence in excess of radionuclides in the mountain perimeter of Banat211
31. **Iordache Virgil, Ruta Florin** (București - Roumania) - Wetlands use for the removal of metals from water217
32. **Kovacs G., Contrea A., Polen T., Hudac Carmen, Contrea M.** (Timișoara – Roumania) -The effects of zeolyte tufa utilized as support for mineral premixes based on phosphate glass with chelated trace elements in fodder for laying quails 231
33. **Lăzureanu A., Cârciu G., Cozma Antoanela, Alexa Ersilia, Poiana Mariana** (Timișoara – Roumania) – The determination of some heavy metals (Fe, Mn, Cu, Zn) in the surface ground water and soil of Șag-Parța area237
34. **Măruțoiu C., Gogoasă I., Măruțoiu Olivia Florena, Soran Maria-Loredana, Nica Badea Delia** (Sibiu – Roumania) – Separation, identification and determination of some hard metals from Silybium marianum L. 241
35. **Roxin A., Moș D.** (Oradea – Roumania) - Comparative study of the verapamil's effects over the Ca, Mg-ATPases in synaptosomes 244
36. **Mihaljev Z., Cupic Z., Zivkov-Balos Milica, Ivancev Anica** (Novi Sad - Serbia) - Possibility of spectrophotometric determination of molybdenum in feed 247
37. **Moșoarcă Elena-Maria, Tudose Ramona, Alexandrova Radostina, Costișor Otilia** (Timișoara – Roumania) – First row metals complexes containing mannich base n,n' – tetra (antipiryl – 4 - methyl) – 1,2 etanediamine (tamen) as ligand 251
38. **Munteanu Cristina, Kevorkian Steliana, Huculeci R., Costache Marieta, Dinischiotu Anca** (București - Roumania) - Involvement of HSP 70 and HSP 27 expression and oxidative stress in cadmium induced apoptosis of HUH7 cells ... 259
39. **Neagoe Aurora, Iordache V. , Udrea I.** (București - Roumania) -Bioremediation Methods for metals contaminated sites:key processes 267
40. **Papadopol Victoria, Palamaru Iliana, Mancaș Gabriela, Popa Elena, Albu Gabriela, Cîmpeanu Cristina, Florescu Nicoleta** (Iași – Roumania) - Relationship between the level of some minerals and smoking in a group of pregnant women 277
41. **Papp A., Szabó Andrea, Lukács Anita, Vezér Tünde** (Szeged - Hungary) - Functional neurotoxicity of mercury in rats when given during ontogenesis alone or in combinations 283

42. Rădulescu Hortensia, Taubert Lidia, Kiss A.S., Stefánovits-Bányai Éva, Princz Ecaterina (Timișoara – Roumania)- Metal trace elements supplementation in oat plant nutrition	291
43. Rudic V. , Zosim Liliana, Chiriac Tatiana, Bulimaga Valentina, Ciumac Daniela, Prodius D., Turta C. (Chișinău – Moldova) – Prospective of utilisation of some heteronuclear coordination compounds of Fe(III) in biotechnology of spirulina cultivation	295
44. Sciban M., Klasnja M., Skrbic Biljana (Novi Sad - Serbia) – The adsorption of Cd(II) ions from water by unmodified and modified wood sawdust (Novi Sad – Serbia)	303
45. Sîrbu Rodica, Stanciu Gabriela, Arcuș Mariana, Parîncu Diana (Constanta - Roumania) - Physico-chemical analyse of metals from the green sea weeds and your roll on human organism	311
46. Stanciu Gabriela, Birghila Semaghiul, Lușor Simona, Dobrinas Simona (Constanța – Roumania) - Determination of some heavy metals and caffeine from different types of coffee	317
47. Stanciu Gabriela, Sava Constanța, Sîrbu Rodica, Lușor Simona (Constanța - Roumania) – The analysis of aqueous sapropelic mud extract	321
48. Ștefan V. (Timișoara – Roumania) - Mobile potassium in soils of Banat: evolution and prognosis of changes	329
49. Turtă C., Rudic V., Lăzărescu Ana, Bulimaga Valentina, Zosim Liliana, Chiriac Tatiana (Chișinău – Moldova) – The GR spectroscopic study of iron state in <i>spirulina platensis</i> biomass	333
50. Vincze Ivetta, Stefánovits-Bányai Eva, Valai Gy. (Budapest - Hungary) – Element composition of sea-buckthorn (<i>Hippophaea rhamnoides</i> L.) juice concentrated by membrane filtration	339
Author index	343
Retrospectives	345
Varia	351
