

CONTENTS

| | |
|---|----|
| Foreward | 1 |
| Preface..... | 3 |
| 1. Haiduc Ionel, Silaghi-Dumitrescu Ioan, Garban, Zeno Fischer-Fodor Eva, Silaghi-Dumitrescu Radu (Cluj - Napoca - Roumania) - Metallomics | 5 |
| 2. Djujic Ivana (Beograd - Serbia) – Effects of foliar selenium application on performances in plants/animals/man | 15 |
| 3. Nechifor Mihai (Iasi - Roumania) – Normal and pathological involvement of bivalent cations in oro-maxilo-facial area | 27 |
| 4. Farkas Etelka, Csapó Edit, Buglyó Péter (Debrecen – Hungary) - Potentially metalloenzyme inhibitor hydroxamic acids: effects of an imidazole donor on the metal binding capability | 35 |
| 5. Lăcătușu Radu, Iordache Virgil (București - Roumania) - Integrated modeling of geochemical and biogeochemical processes across space-time scale | 41 |
| 6. Takács-Hajos Maria, Kastori Rudolf, Pucarevic Mira, Skoric Tijana Zeremski (Szarvas - Hungary) - Mineral element content of leaves of table beet varieties and their role in nutrition | 55 |
| 7. Avacovici Adina-Elena, Garban Zeno (Timișoara - Roumania) - Characteristics of the metallogram in cystine urolithiasis – investigation means | 61 |
| 8. Papp Andras, Sárközi Leila (Szeged - Hungary) - Consequences of subacute intratracheal exposure of rats to cadmium oxide nanoparticles: behavioral, electrophysiological and toxicological effects .. | 67 |
| 9. Neagoe Aurora, Iordache Virgil, Bodescu Florin (București - Roumania) - Bioaccumulation of metals in food chain of wetlands | 73 |
| 10. Halasi Tibor, Lalosevic Dusan, Culic Milka, Sekulic Slobodan, Capo Ivan, Grbic Gordana (Novi Sad - Serbia) - Aluminium neurotoxicity | 81 |
| 11. Simescu Mihaela, De Benoist Bruno, Sava Mariana, Podia-Igna Claudia, Delange Francois (București – Romania) - Correction of iodine deficiency by an iodized vegetable oil – floriol iodine product (partial results) | 87 |
| 12. Lalic Tatjana, Djujic Ivana (Beograd - Serbia) - Mineral imbalance - reflection on blood vessels | 95 |

| | |
|--|-----|
| 13. Alexandrova Radostina, Timcheva Konstanta, Kalfin Reni, Mosoarca Elena-Maria, Tudose Ramona, Costisor Otilia, Culita C. Daniela, Marinescu Gabriela, Patron Luminita, Kantouri Maria-Lallia (Sofia –Bulgaria) - Few words about metal compounds in cancer treatment | 105 |
| 14. Borcean Ioan, David Gheorghe, Niță Simona, Borcean Adrian, Băghină Narcis, Niță Lucian (Timișoara - Roumania) - A study on the possible prevention of environmental pollution with mining wastes from copper mines through agricultural valorisation | 113 |
| 15. Contrea Aurel (Timișoara - Roumania) - Study of the complexes formed between some metal ions with the condensed phosphates by means of gel-chromatography..... | 117 |
| 16. Creanga Adina, Henin Nathalie, Simescu Mihaela, De Benoist Bruno (București - Roumania) - Refined sunflower oil : an excellent vehicle for iodine fortification | 123 |
| 17. Davidescu Corneliu-Mircea, Popa Adriana, Negrea Petru, Bandur Geza, Ilia Gheorghe, Ardelean Radu (Timișoara - Roumania) - Phosphonate ligands grafted on styrene-divinylbenzene copolymers used in metal ions separation from water | 127 |
| 18. Drăgan Simona, Socaciu Carmen, Gergen Iosif, Yogi Lavanya, Dehelean A. Cristina (Timișoara - Roumania) - Development of functional foods from soy extracts enriched with magnesium in breast cancer | 133 |
| 19. Fischer-Fodor Eva, Miclasova Natalia, Virag Piroska, Tatomir Corina, Brie Ioana, Perde Maria, Cernea Valentin, Silaghi-Dumitrescu Luminița (Cluj-Napoca - Roumania) – Biologic evaluation of platinum and palladium complexes | 141 |
| 20. Garban Gabriela (Timișoara - Roumania) – Food supplements with chromium and selenium content on the Roumanian market | 147 |
| 21. Garban Zeno (Timișoara - Roumania) – Adducts of deoxyribonucleic acid with metals ad limina of interdisciplinarity metallomics and proteomics..... | 153 |
| 22. Ghibu George-Daniel, Garban Gabriela, Baltă Cornel, Bura Marian, Petrusse Cristina, Horhoi Doina-Elena, Garban Zeno (Timișoara - Roumania) - Hepatic metallograms in rabbits after sodium nitrate excess in drinking water | 163 |
| 23. Hărmănescu Monica, Popovici Daniel, Moisuc Alexandru, Gergen Iosif (Timișoara - Roumania) - Sodium, potasium, calcium and magnesium contents – are indicators for geographycal origin of bee's honey from Banat county? | 169 |

| | |
|---|-----|
| 24. Hădărugă G. Nicoleta, Hădărugă I. Daniel, Negrea Adina, Ciopec E. Mihaela, Negrea Petru (Timișoara – Roumania) - Minor and trace elements in parsley (<i>Petroselinum sativum</i> hoffm.) from the west side of Roumania..... | 173 |
| 25. Ianoș Gheorghe (Timișoara - Roumania) - Conclusions concerning the source and the environment concentration with heavy metals on the etno-historical Banat..... | 181 |
| 26. Koczka Noémi, Pétersz Dóra, Stefanovits-Bányai Éva (Gödöllő – Hungary) - Metal ion composition of stinging nettle (<i>Urtica dioica</i> L.) leaves in view of the nutritive value..... | 189 |
| 27. Lăzureanu Aurel, Moigrădean Diana, Măruțoiu Constantin, Gogoasă Ioan, Gergen Iosif (Timișoara - Roumania) - Study regarding the heavy metals contents in some vegetables cultivated in the field in romanian West area | 195 |
| 28. Nagy Ádám, Stefanovits-Bányai Éva, Neményi András, Hegedűs Attila (Budapest - Hungary) - Microelement content in fruits of fig genotypes grown in hungary and in commercially available dried figs..... | 199 |
| 29. Papadopol Victoria, Popa Elena, Albu Gabriela, Cîmpeanu Cristina, Florescu Nicoleta, Palamaru Iliana (Iași – Roumania) - Body zinc level, eating habits and some nutritional parameters in an elderly group.. | 205 |
| 30. Slezák Katalin, Kiss Sandor, Némethy Uzuni Hanna, Orosz Ferenc, Stefanovits-Bányai Éva (Budapest - Hungary) - Effect of foliar magnesium fertilization on leaf and fruit mineral compositions of greenhouse grown cucumbers | 211 |
| 31. Bogdan T. Alexandru, Acatincăi Stelian, Avacovici Adina-Elena, Garban Zeno (Timișoara - Roumania) - Biodiversity and xenobiotics related to foods of animal origin | 217 |
| 32. Szilvássy Blanka, Papp Nóra, Szabó Zoltán, Nyéki József, Tordai Enikő, Pedryc Andrzej, Stefanovits-Bányai Éva, Hegedűs Attila (Budapest - Hungary) - Nutrient element of stone fruit species and cultivars..... | 225 |
| 33. Staicu Andreea-Cristina, Postolache Carmen, Munteanu Maria-Cristina, Costache Marieta, Dinischiotu Anca (București - Roumania) - Intestine and liver histopathological changes induced in fed and starvated goldfish (<i>Carassius auratus auratus</i> , <i>Cyprinidae</i> , <i>Pisces</i>) during chronic exposure to manganese | 231 |
| 34. Takács Szabolcs, Bankó Sarolta, Papp András (Szeged - Hungary) - Acute electrophysiological effects of a metal and a non-metal mitochondrial toxin | 239 |

| | |
|--|-----|
| 35. Taubert Lidia, Rădulescu Hortensia, Princz Ecaterina, Stefanovits-Banyai Eva, Kiss A. Sandor (Timișoara - Roumania) – Impact of some mineral elements from industrial waste on wheat plants | 243 |
| 36. Teodorescu Daniela, Munteanu Maria-Cristina, Staicu Andreea-Cristina, Meșter Elena-Lotus, Dinischiotu Anca (București - Roumania) – LDH activity and histological changes in copper intoxication of <i>Carassius auratus gibelio</i> liver after short and long time exposure | 249 |
| 37. Varvari Lidia, Dorneanu Sorin Aurel, Popescu Cătălin Ionel (Cluj Napoca – Roumania) - K^+ -selective electrode based on a calix[6]arenic compound | 255 |
| 38. Velciov Ariana-Bianca, Velciov Petru-Robert, Garban Gabriela, Avacovici Adina-Elena, Ahmadi Mirela, Sayti Ludovic (Timisoara – Roumania) - In vivo effects of cis-platinum on magnesium levels in blood, muscles and heart samples..... | 259 |
| 39. Voroniuc Otilia, Gheorghes Manuela, Florescu Nicoleta, Cristea Anca, Casaux-Voroniuc Iulia (Iași - Roumania) - Magnesium in drinking water of some public systems and wells in Iași district and the daily magnesium requirement | 265 |
| 40. Silaghi-Dumitrescu Radu, Deac Florina (Cluj-Napoca - Roumania) - The redox reactivity of globins: the chicken and egg paradox..... | 271 |
| 41. Crețu Ana-Maria, Aschie Mariana, Preda Gabriela, Roșoiu Natalia (București - Roumania) - The significance of cytomorphometry in peritoneal effusions cytology practice..... | 277 |
| 42. Hadnadjev Mila, Hadnadjev Darka (Novi Sad - Serbia) - Ambrosia mowing in Novi Sad and the number of children with allergic diseases registered in primary care | 285 |
| Authors index..... | 289 |
| Retrospectives..... | 291 |
| In memoriam Prof. Petru Drăgan MD, PhD (1932-2007) | 297 |
